# PROFILE

Inspired by noble culinary principles of traditional Kerala and contemporary catering ideas of the West, Tharavad Restaurant and Catering offers a classic experience to the customers of UAE and India since the inception of Tharavad Group a decade ago. As the name indicates, Tharavad promises a conventional, refined, homely and intense gastronomic experience that fits the likes of food connoisseurs across demographics- the name Tharavad means 'ancestral home'.

The secret behind the success of the Restaurant and Catering chain can be attributed to just one aspect, passion. With an ever-expanding and thoroughly researched menu, Tharavad portrays a wonderful ensemble of handpicked Kerala and South Indian traditional savory creations along with chef special Chinese, Continental and Arab delicacies.

## *The world of Tharavad's cuisine*

Tharavad has carved an all encompassing culinary principle out that successfully combines different cooking ideas from the world to meet the requirements of people across demographics. These include South Indian, North Indian, Pakistani, Arabic, Chinese, Filipino, Nigerian, Bangladeshi, Continental and Far East comprising of variants like Oceanic, Vegan, Fusion, Outdoor, grill etc.

As a cuisine is primarily influenced and distinguished by the ingredients and treatment of spices, chefs at Tharavad follow meticulous and authentic practices as they keep on experimenting on newer ideas. At present Tharavad Restaurant and Catering is equipped to serve different kinds of ethnicities at any scale.

## Tharavad Restaurant

Tharavad Group opened its first restaurant in 2007 in Dubai. This eatery soon became a huge hit. Tharavad started branches in other emirates also and these outlets turned out to be a favorite hangout for people across ethnicities since the very beginning. Food festivals like Forest Fiesta, Seafood Fest and Tharavad Utsav attracted both expatriates and natives in the UAE. The restaurant keeps on modifying its menu, offering a vast array of delightful spreads in a la carte, buffet and takeaway classifications.

# Tharavad Catering

Along with successful operation at various locations, Tharavad ventured into outdoor catering business also from day one. Tharavad Catering, based out of Ajman, today is one of the leading catering service providers in the UAE with a delivery capacity of 10000 guests at a time across nationalities.

From family get-together parties and baby showers to corporate dinners, festival celebrations, business meetings or wedding parties, Tharavad takes care of the food and service with impeccable proficiency. Tharavad has already proved its skill in camp catering and camp supervision also. Tharavad can provide experienced kitchen staff to manage kitchens of any scale complying with the sanitation standards set by various municipalities. All services are highly cost effective and extremely professional.

## *Service Par Excellence*

It's been said that while eating is a necessity, cooking remains an art. And the chefs are referred to as artists who create masterpieces with refined ideas and meticulously chosen ingredients. It takes a great deal of learning and talents at various levels to master a delectable dish.

Recognized as one of the most appreciated culinary destinations, Tharavad Restaurants in UAE and India has been a meeting place of great chefs and food connoisseurs for several years. If someone is curious to explore the secret behind this successful association between guest and host, here it is: perfect seasonal ingredients, meticulously chosen spices, excellence in service and traditionally proven procedures, all these coupled with undying passion.
